MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski,
29 November 1977

1. Advised that I would be briefing the Senate Select Committee on narcotics in Panama.

3. Delivered messages on Syrian reaction to Sadat, Arafat's reaction to Sadat and Hussein's reaction to Sadat.

4. Checked on the minutes for the PRC(I) and they are not yet ready.

5. Checked on clearing speeches with the NSC -- the only intent here is when I get anywhere into foreign policy considerations. I described the speeches we are doing, and he didn't feel that this was necessary with them.

6. Pointed out that the Hill was impatient for the Executive Order. Indication was that it would go this week.

7. Advised that I had cancelled my trip [REDACTED] He thought that was very wise, but that it might be desirable for me to go about a month after the President.
